Overview

Welcome to this stunning 6-bedroom home in the highly sought-after Hickory Hills community, a true masterpiece of luxury and comfort built in 2009 with no expense spared. This one owner, elegant two-story residence offers a versatile floor plan with five to six bedrooms. One bedroom currently being used as a large office on the second floor, can easily become a second master suite. Three of the bedrooms have large walk-in closets, providing ample storage. The heart of the home is the gourmet kitchen, featuring custom cherry cabinets, granite countertops, a spacious island, a walk-in pantry, a Wolf double oven and cooktop, and a high-end refrigerator. Luxurious amenities abound, including heated floors in both the finished basement and master bathroom, a large rec room and wet bar in the basement, custom epoxy floors, and a walk-out stairway into the the 3.5 car garage. The outdoor spaces are perfect for entertaining, with a 40x8 covered front porch built with UltraDeck and a beautiful backyard featuring a 30x20 stamped concrete patio. The property is adorned with large oak trees, providing natural shade and beauty. Advanced features include wired alarm system, cable and CAT5E readiness, 200 AMP underground electrical service, and a fire sprinkler system for added safety. Hardwood floors throughout the main level, a hardwood staircase, two separate furnaces and a/c units with individual controls. High-quality Marvin windows

contribute to the home's warmth and elegance. Custom drapery and 5.5-inch oak trim throughout the home speak to the superior craftsmanship and attention to detail. This home also boasts a 3.5-car heated garage and a triple-wide concrete driveway. Experience unparalleled luxury and comfort in this exquisite Hickory Hills home—schedule a private tour today and make this dream home yours!
