Overview

Discover the ideal site for your dream home on this ready-to-build 4-acre lot in Sunsites. Enjoy stunning views of Cochise Stronghold and the Dragoon Mountains, and marvel at the dark skies and the Milky Way from your backyard. The property includes underground power and features a shared well and well house right on the parcel, with an installed water line and meter. The desirable RU-4 zoning permits the Cochise County Opt-out, providing exceptional flexibility for your build. This prime location offers the perfect balance of country serenity and convenient access to town. Additionally, you have the option to purchase four adjoining lots on the well-share, with the seller open to combining parcels to enhance your vision. This exceptional lot is ready for your custom retreat.
