## Overview

Enjoy Mt Washington's stunning views in Maine's "Mountains and Lakes Region." Nestled on a gently sloping 2.08-acre lot, this custom-built house offers grand panoramas of Mt Washington and the majestic Presidential Range. Enjoy the views from the screened porch, the hot tub off the primary bedroom, and almost every room facing west. The living room highlights plenty of windows framing Mount Washington, a cathedral ceiling, a gas fireplace, and hardwood floors with an open concept design to the kitchen. Enjoy the views from the spacious kitchen with beautiful cabinets, well-appointed appliances, and granite counters. A large pantry allows plenty of space for food, small appliances, and an extra refrigerator. The kitchen is conveniently located near the two-car garage entrance. The primary bedroom is on the main floor, leading to a private deck with a hot tub and mountain views. The primary bedroom offers its ensuite bathroom with a large walk-in closet. An extra bedroom on the main floor (presently an office) is adjacent to the spacious living room. The Daylight lower level has a large open room, two spacious bedrooms, a full bath, a kitchen/dining area, two extra rooms for storage, and direct access to the front yard with its extended grassy area and year-round views. The backyard has a 10' x 16' storage unit for all the outdoor tools/toys.

View easements over lower lots 5, 6, and 7 insuring view protection. This property is in Bridgton, near the Pleasant Mt Ski Area and close to Highland Lake and Golf Course and Kezar Country Club. Nearby, enjoy Moose Pond, Highland Lake, Kezar Lake, Long Lake, and many other secluded ponds. The village of Bridgton has many shops, eateries, and amenities such as supermarkets and a hospital. The property is less than 1 hour to the coast, Portland, Portland Jetport, 1/2 hour to Conway, NH, and a short drive to Sunday River Ski Area.
