Overview

Welcome Home! Home is nestled in a picturesque quiet neighborhood on a tree lined dead end street. The beautifully landscaped back yard boasts many trees and is a quiet and serene setting. The home is near a path to the Emerson Elementary School and Berens Park. This charming home features three bedrooms with a sitting room in the master (the sitting room could be used as a fourth bedroom) and 2 full baths and and half bath on the main floor. There is a large kitchen with granite countertops and eating area with a bay window overlooking the lovely back yard. The family room has hardwood floors and a cozy wood burning fireplace for those cold snowy evenings! There is a formal dining room and large living room. The finished full basement offers a very spacious recreation room with a second wood burning fireplace and closets for storage. An office and workout room are also available in the basement plus lots of storage. Home is close to downtown Elmhurst with shops, restaurants, entertainment, metra and so much more. Don't miss out on the opportunity to buy in this sought after area and excellent Elmhurst schools. If you want a charming house and a serene, retreat like area to live in this is the house for you!!! Quick close is possible. Home being sold As Is.
