Overview

This 5-bed, 3.5-bath home in the desirable Hollydale Subdivision is stunning! The first-floor suite features a walk-in closet and a luxurious bathroom with double vanities, soaking tub, and custom tile shower. The kitchen boasts granite countertops and stainless appliances. A large office offers a perfect remote work setup with high-speed internet. Upstairs you'll find jack and jill bedrooms, another bedroom, and finished space above the garage was transformed into two more rooms. This could be used as a play area and the fifth bedroom. Enjoy the outdoors under the covered front porch or entertain friends and family grilling out on the patio in the fenced backyard. There is a storage shed for toys or make it into a workshop. Home is situated near a cul-de-sac, which offers privacy and tranquility. Perfect for a family seeking comfort and style in a vibrant community. Close to VCU!
