Experience the perfect blend of country living and urban convenience in this charming 2-bedroom, 2-bath home set on 6.53 acres. Built in 1890 and thoughtfully remodeled in 1996. The large primary bedroom ensures comfort, while the spacious living room, added in 2010, provides ample space for relaxation. Enjoy the updated kitchen with new cabinets installed in 2017, and benefit from the energy efficiency of new windows replaced in 2023. The home also boasts a 4 seasons room leading out to a brick patio, perfect for year-round enjoyment. Hot tub is negotiable. Additional features include a 30x60 pole shed, a 10x16 utility shed, and a fixed-up horse barn. Recent updates include new carpet in the living room and bedroom in 2024.
