Overview

Come experience this charming home located in the gated, golf community of Seven Lakes South. This beautiful property offers an amazing living experience, with golf course views, access to a wealth of upscale amenities such as horse stables, community pool, and 4 beaches. The foyer opens up to a spacious and natural light-filled living area. The living room seamlessly integrates with the formal dining room. The high ceilings, large windows, fireplace, and skylights further adds to the home's charm. The owner's suite opens to one of two decks to overlook the golf course. The combination of living space, gulf course view, and exceptional community amenities makes this home a truly desirable find.
