Overview

Nestled on 1.64 acres in a cul-de-sac for added privacy, this ranch offers 4 bedrooms and 3.1 bathrooms. Enjoy the in-ground fiberglass pool surrounded by stamped concrete, with landscaping by Schmaltz Landscaping. Relax under the covered patio or soak up the sun by the pool. Basketball enthusiasts will love the hoop and shooting machine in the heated garage, complete with a 3-point line and vaulted ceilings. This home also features a beautiful stone wood-burning fireplace, hardwood floors, and a finished basement. The open-concept floor plan is perfect for entertaining. Built in 2020, this home is ready for you to call home. The garage doors on the attached garage will be replaced. Please refer to the attached photo. The workout space has an unfinished ceiling and an acid-stained floor.
