## Overview

Welcome to this meticulously well maintained custom built rambler situated on a large, nearly 1.80 acre lot in Lake Elmo. Easy access to Highway 94, this property is only 10 minutes to downtown St Paul and a few minutes to the St Croix River. The main floor, has beautiful hardwood floors, high ceilings, a large living room, two bedrooms, three bathrooms, and a fantastic sun room, that goes out to the backyard. The primary bedroom has two walk in closets and large bathroom. The lower level also features two bedrooms, a huge family room and billiards room. The roof was replaced two years ago, with a brand new Air Conditioner installed this July, updated furnace and two hot water heaters. The three car garage has an epoxy floor and gas heater. Newer carpet and paint throughout most of the house. You can move in and not have to worry about doing anything for a long time. Don't miss your change to see this fantastic property.
