## Overview

Mahomet, Mahomet, Mahomet! Step into this bright, 3-bedroom, 3.5-bathroom, condo located in the desirable Hunter's Ridge Subdivision. Upon entering the home, you will find a beautiful foyer that leads to an open living room area. The living room boasts a decorative fireplace and a lot of natural light. The main level also includes a breakfast nook and a large deck in the backyard. Upstairs, you will find large bedrooms with convenient 2nd floor laundry. The master bedroom includes a walk-in closet with plenty of storage space. The new finished basement includes beautiful vinyl flooring and a full-sized bathroom. The roof and sump pump were replaced in 2023 for your convenience. Homeowner's association handles lawncare and snow removal. Let's schedule a private showing. This one isn't going to last long!
