Overview

Desirable Collen Court condo! You'll feel like you entered a peaceful paradise as the unit has been thoughtfully updated and stylishly decorated. This meticulously clean 1 bedroom condo is extra large and wonderfully laid out. The foyer has 2 large closets and there is new laminate vinyl plank flooring throughout. Fresh paint adorns every room. The huge living room/dining room combo is open and airy and leads out to the balcony with amazing neighborhood views. The kitchen is super functional with extra cabinetry and updated with granite countertops and new stainless steel appliances. The bedroom is a great size with double closets and leads to the updated bathroom. Beautifully tiled shower has just been completed. This condo's location is remarkable with loads of nearby stores and shopping. Come see this gem before it's gone!
