Overview

Do not miss this stunning 4BD 3BA custom Derrick built home conveniently located close to local amenities. This highly desired tri-level floor plan boasts modern touches, lighting and finishes throughout. The open and airy main level provides a great space to entertain and enjoy with your family and friends. The kitchen features stainless steel appliances, to-the-ceiling cabinets, granite countertops, decorative backsplash and center island. Inviting living room showcases a beautiful stone-faced electric fireplace. The picture window draws in an abundance of natural sunlight. An informal dining area steps onto your private patio. Upper-level primary suite features a walk-in closet and private bath that includes dual sink vanity and gorgeous tiled walk-in shower. Two additional bedrooms, laundry closet and full bath complete the space. Lower level highlights a great room, additional bedroom and full bath. Home inspection has been completed for you. Enjoy photos, 3D Tour, floorplans and more in Supplements.
