Overview

This perfectly well appointed one story is tucked away at the end of a cul-de-sac where coming home will be the best part of your day! The kitchen features a cozy dining nook and plenty of cooking space as well as an island. Open floor plan enjoys fully tiled flooring and wood floors in the bedrooms. Master bath is a dream! Outside is a private backyard with spacious covered patio is ready for lounging. Super great location with easy access to major highways for your north or south commute.
