Overview

You say you want to live in Morningside? But you'd like a corner lot, 4 bedrooms, 3 baths, a fireplace, formal dining and informal dining, also need multiple living spaces? Well, I have the perfect home for you! This beauty has just become available in one of Marion's most desirable places to live. Immaculate and well kept, it's truly move in ready. There's a fenced backyard to hold the kids and/or critters. Covered front porch and lovely landscaping in place. New kitchen appliances. There's a nice rear patio adjacent to the 3-season porch and a safe room in the garage for storm protection. Crown moldings and french doors add a nice touch to the character of this fantastic home. Home is under annual HVAC and quarterly pest maintenance agreements for peace of mind. New roof!
