Overview

This flexible home plan allows you to choose between additional bedrooms, more storage or finished bonus rooms. The Coves Edge open and flowing floor plan is highlighted by tremendous ceilings, a stunning double-height great room and spacious kitchen with a center island that serves as the centerpiece of the home. A loft area on the second level with an arched overlook to the great room below offers another great space for entertaining or quiet relaxation. Maximizing every inch of space, Coves Edge offers additional bedrooms, bathrooms and a balcony on the upper level. Perfect for entertaining your old friends and family or the new friends you're sure to make the Coves Edge has everything you need to create unforgettable memories.
