Overview

This stunning 4 bedroom, 4.5 bathroom home offers a spacious and contemporary layout in a great south Elmhurst location. The quality construction and modern finishes are apparent from the moment you step onto the charming covered front patio. The main level has beautiful hardwood floors, a great open layout, and tons of natural light. It features a dedicated home office, a large dining room with an adjacent wet bar, a living room with gas fireplace and lower built-ins, a powder room, a mudroom, and a planning desk. The designer's kitchen has cabinetry that goes to the ceiling, a huge island, and high-end appliances including a double oven and 6-burner range. The second floor includes 4 bedrooms and 3 bathrooms and a large laundry room. The primary suite has a walk-in closet and spa-like bathroom including a soaking tub, oversized shower, dual vanity, and a water closet. The lower level has a big recreation room, full bathroom, exercise room, beautiful full bar, and loads of storage. Outside the fully fenced backyard is an entertainer's dream, featuring a composite deck, pergola, firepit, and extra storage shed. Situated just blocks from Jefferson Elementary, the prairie path and highway access this fabulous home has it all!
