## Overview

Build your dream home on this .55 acre lot with a focus on outdoor living underscoring every inch of this amazing property. It is the perfect place to relax, unwind and disconnect. This is the ideal gathering spot after a full day hike at Rocky Mountain National Park. The driveway to the lot has been excavated and offers access to a couple of different building sites. The owners performed a percolation test on the soil to help identify the ideal location for the septic system and they will provide engineered drawings for a new owner. This private lot is a nature lover's dream - come see for yourself.
