Overview

Check out this beautiful Patterson plan in Johnston Station! This home features luxury vinyl plank flooring throughout the downstairs and wet areas, crown molding, and so many upgrades! Upon entry, you'll notice a two story foyer and a formal dining room, just off the kitchen. The kitchen features stainless steel appliances, white shaker cabinetry, granite countertops, a pantry, and breakfast area. The living includes a fireplace and tons of natural light as well as a room for storage or an office. Upstairs features three guest rooms as well as the primary suite. The primary has ten foot ceilings and a bathroom with dual vanities, water closet, separate shower, garden tub, and a large walk in closet. The Johnston Station subdivision is close to all local schools, shopping, and recreation. Schedule your showing today!
