Overview

Newly remodeled oversized brick ranch with a nice back located in a quiet subdivision close to a school, park and I-57 entrance! Great quality work was done by experienced craftsmen and with all required permits and village inspections! Check it out on 3D virtual tour but best when you see it person because it may not last too long! Solid oak floors throughout, brand new: windows, doors, trims, both bathrooms, custom kitchen with quartz counters, stainless steel appliances, very nice finishes, fixtures and open floor plan with a patio door and more!
