Overview

Welcome to 503 Velasquez Drive, your Osprey Oasis and waterfront estate located on Blackburn Bay of the Intracoastal Waterway. This property offers an unparalleled view in its prime location overlooking the Bay, with stunning sunsets and quiet early morning reflection over the heated pool. The garden walk to the front door sets the tone for this impressive home, with its mature plant life and secluded walkway. Once inside, you'll find many 'extras', such as the gourmet range with pot-filler, wine refrigerator, and spacious kitchen island for the chef of the home. With an open floor plan boasting high ceilings and spacious living area, entertaining will be a joy. Step out back into the screened porch and enjoy a gathering with friends and family. Plenty of outdoor living and entertaining space, with dual patios and a private sandy beach area for launching water craft such as kayaks or paddle boards. For the boaters, there is a newly installed lift, and a fishing pier with a cleaning station. You can have it all with this gem! An attached two-car garage, and another detached one-car with room for an efficiency suite. Don't miss your opportunity to own your own piece of paradise!
