Overview

Welcome home to this charming all-brick, 4-bedroom, 3-bathroom ranch-style home. With durable LVP flooring and tile throughout, this single-story home offers easy maintenance and modern comfort. The split floor plan features an owner's suite conveniently located off the main living areas for added privacy, while three additional bedrooms are situated on the opposite side. Set on a private 2.52-acre lot with no HOA, this property includes an oversized carport. Enjoy the natural beauty and bounty of blooming and producing fruit trees, pecan trees, and a pond teeming with various fish species. Several storage buildings on the property are included, offering plenty of space for your storage needs. This home offers a peaceful retreat with ample outdoor space and the freedom to enjoy it.
