Overview

New Construction Arts and Craft home situated in sought-after gated community of Woodrun on Tillery. Charming rocking chair front porch greets you as you step into this well-designed, spacious floor plan. Open layout is ideal for family gatherings. Eat-in kitchen w/ pantry will feature elegant white quartz countertops, subway tile backsplash, black sink, and LG appliance suite. Laundry has its own dedicated space adjacent to the mudroom. Primary suite is located at the rear of the house with a large walk-in closet. Primary bath includes a linen closet, a walk-in shower with floor-to-ceiling tile, a frameless shower door, and a shampoo holder. There are two additional bedrooms and a second full bath with a tub insert and tiled floor-to-ceiling walls. Additional features include a concrete drive, grilling patio, a starter yard with seed and straw, as well as mulch and bushes. Woodrun amenities include: access to Lake Tillery, swimming pool, clubhouse, community activities and so much more.
