Overview

Secluded, Private and Isolated. Enjoy all that nature has to offer with the rural setting of this 5 bedroom and 2 full bath 2-story home that sits on 10 wooded acres. Along with the house comes a 36ft deep 2-car garage, 30x50 pole barn, corn crib and the original wood constructed barn. The original house was added onto in 1992 and now features multiple furnaces and a/c units, vinyl siding, two separate basements and multiple rooms throughout. In addition to the kitchen, family room and large living room, the home features a slate tiled formal dining room with skylights, slate tiled study, both of which offer plenty of windows to enjoy the wooded view, two wood burning stoves and a cozy library with a built-in bookcase wall. There are four upstairs bedrooms, one of which with a built-in bookcase and used previously as an office, a main floor bedroom that could use a little updating and a great 3rd floor finished attic with knotty pine walls and ceiling. There is a room for everyone throughout this 2,680 sq.ft. home. All appliances stay including the washer and dryer.
