Overview

Welcome to 326 Whitaker Lane, a stunning custom built home situated on over 17 acres with over 3700 sq ft of living space. Just 7.5 miles from I-16, this beautiful residence offers easy access to Savannah, Pooler and beyond. The property offers covered porches, a barn, a workshop with a studio apartment, a swimming pool and a stocked pond for fishing. Inside you'll find 28 ft ceilings, a formal living room and a breakfast room with terracotta, coffered ceilings. The kitchen is a chef's dream with tiled countertops, stainless appliances which includes a double oven and custom range and a coffee bar with custom pantry. You'll love the unique bathroom right off of the kitchen which features a copper clawfoot tub, custom vanity and chandelier. The first floor primary with ensuite features a tiled shower, soaking tub and double vanities. Upstairs you'll find a spacious bonus room with a private balcony, a guest bedroom and full bath. Bring your horses - this property is perfect for the equestrian enthusiast.
