Overview

An incredible location just steps to the Metra station, restaurants, downtown shopping, parks, concerts and events, farmers market and Prairie Path trail. Providing incredible natural light and a neutral decor throughout, this Wheaton condo is perfect for the lock and go lifestyle! Large main living areas provides an open feel with oversized windows additional entertaining on the private balcony. The master bedroom suite also has access to the balcony and features a walk-in closet and private bath with separate tub and shower. The second bedroom is perfect for guests or home office and features a large closet and patio door with access to the balcony. The in-unit laundry area has full size laundry machines. There is also a private and secured storage room. The building exercise room is just steps away from the unit and located on the same level. Access to the assigned private indoor parking space is also located on the same level. Quality low maintenance brick/masonry constructed exterior and also features Flexicore panels between floors making the units extremely quiet. If being in the heart of Wheaton is your dream this location can't be beat!
