Overview

Look no further in Macedonia! Welcome to this charming 3-bedroom, 1.5-bath ranch home located in the highly-rated Nordonias Hills City Schools district. This delightful property offers 1,308 square feet of living space, all on a single floor, and features a 2-car attached garage (456 sq feet) with ample storage and attic space. Nestled on a generous 1/2 acre lot with a serene creek and shed, this home boasts numerous updates, including a brand-new roof installed in November 2023. The exterior also features a freshly painted large deck, perfect for outdoor relaxation. Inside, the family room addition is enhanced with a new ceiling fan added last year, and the home includes a new washer installed in 2023. The open kitchen benefits from a new kitchen/slop sink faucet installed two years ago, along with an eat-in kitchen. The main bathrooms toilet was replaced three years ago. The front door and the top two windows in the family room were updated four years ago. Conveniently located with easy access to schools, restaurants, shopping, and major highways including 271, Route 8, and Turnpike 80, this home is ideally positioned for both comfort and convenience. Put your mind at ease with city POS compliance. Dont miss the opportunity to make this your new home! Book your private showing today before it's sold. Open house times are Saturday from 1-3 pm, and Sunday from 12-2 pm.
