Overview

Home on the range is just around the corner! You'll feel right out of a country song and right at home in this farmhouse on 17.7 Acres. It's an escape from the hustle and bustle of busy life. Not only do you get a gated, dreamy long dirt driveway, but this lot has it all. To the south and to the west are farmland, hunting land to the north, and to the east...ponds and woods. From the sprawling wrap around porch, you'll see open pastures, a 6-stall horse barn with tack and feed rooms, a 24 x 30 insulated metal garage/workshop, above ground pool and a private Pond! You won't want to miss the most dreamy sunsets around over the neighboring cattle pasture. This cozy country farm home offers 3 bedrooms, 3 full baths, an amazing open floor plan filled with natural light, hardwood floors, beautiful wood burning masonry fireplace in a vaulted-ceiling great room, custom door trim, a big laundry room, upstairs loft area that has 360 degree views and additional enclosed space off the back porch which would be perfect for an exercise room. There are countless additional small storage buildings, a silo, chicken coop, and solar set up for hot water heater and some of your electric! This property offers easy access to major roads to get to Madison, the ever-growing Monroe, Athens, Atlanta and the airport. Unplug, unwind, and enjoy this nearly off-grid country oasis! FULL
