## Overview

Brand New Construction in Stargazer, one of Rough Rivers' premiere Custom Home Communities. This Craftsman style home is nearing completion and will have all the bells and whistles. The White Board and Batton 40 yr siding is stunning and the covered front and rear porches are perfect for outdoor enjoyment. The house sits high on the hillside and has an expansive view of the lake, and the oversized attached garage has a cool pull-down screen w/ door for added bug-free entertainment space. The inside is just as exciting. The high ceilings with an expansive open concept wows you from the start. The large bedrooms are all separated for privacy. The Kitchen is Custom in every detail with beautiful granite, tile backsplash, top of the line appliances and shaker style cabinetry. Everything you would expect in a quality-built home. The primary bedroom is also very special. It is spacious with craftsman style windows, tall ceilings and an amazing bath. A handcrafted tiled shower, double sink vanity, a beautiful 6 ft soaker tub and custom designed built-in closet space makes for a terrific retreat. This home has all the touches and with its location just 2 minutes from the Indian Valley boat ramp you can be in and out of the water quickly. Additionally, the Stargazer neighborhood is great for walking, has common areas with picnic tables and golf cart parking. And if you want more space, the lots on either side are available. Call today. Easy to see.
