Overview

The Guilford is two story home with four bedrooms, two-and-one-half-bathrooms, and an upstairs loft! A dining/flex room is located just past the entry, adjacent to the kitchen. Step into the kitchen with ample counter space and cabinets. A corner pantry makes for even more storage! Look out through the kitchen to the great room. An upstairs primary bedroom suite features a large walk-in closet, dual vanities, and a large walk-in shower! The upstairs bedrooms share a full bathroom, and all feature spacious closets. Be sure to check out the loft space at the top of the stairs! We've also added a covered patio out back for enjoying those sweet Carolina evenings. Call for more information! Exterior photo is a rendering of a similar model, home is under construction.
