Overview

This is a beautiful 3 bedroom, 2 bathroom home that has had a lot of recent updates. It has newer flooring, HVAC, windows, blacktop drive, paint, and much more. The crawl space is fully encapsulated with a dehumidifier and a sump pump. This is a great house and is very close to Barren River Lake. This would be a great place to live if you enjoy boating or fishing. Don't miss out on this opportunity!
