Overview

Brand new beauty backing up to conservation land in upscale Thompson Falls! One of the North Coast's newer neighborhoods high above the surf out of the bustling short term rental area. Yet minutes to sandy beaches and all the amenities of Seaside, Cannon Beach and Gearhart. Ideal for multigenerational living and guests, this new build lives like 2 homes with plenty of parking. Main living, kitchen, primary suite and laundry are on the main level. Lower level has its own entrance, kitchenette, living area, 2 full baths, laundry, more bedrooms and exterior storage. Just finished! Imagine walnut stained cabinetry, granite and modern Yellowstone inspired finishes that marry a rustic spirit with artistic elements. Interior photos coming soon but don't wait for them. Book a tour now and get a jump on it!
