Overview

Wide open views of scenic Morrow Mountain State Park and Lake Tillery await your enjoyment from the screen porch and deck of this recently constructed home. Easy access to Woodrun's pool and clubhouse help make this home ideal for off water living. Woodrun's boat access is right down the street. With an open kitchen/dining/living space, relaxing with friends and family will surely be a priority. All appliances, including the washer and dryer, will stay. The lake view yard is fenced and includes a firepit and gravel patio area. Luxury vinyl floors are found throughout this home. The basement is built with Superior Walls and is heated and cooled. A garage door is located on the road side for a car or boat. There is plenty of room to use this space in a variety of ways. Be sure to schedule an appointment to see this home when it hits the market.
