## Overview

Escape to tranquility in this charming year-round cottage overlooking Sunset Cove! This cozy retreat boasts a lush green lawn with steps that lead down to the water, providing easy access for swimming, kayaking, or simply dipping your toes in the refreshing water. The cottage exudes old-world charm, creating a cozy interior with 3 bedrooms and 1.5 baths. The large Living Room picture window allows the sunrises to stream in and frames the expansive picturesque water view beyond. In 2014, a new poured concrete foundation was added providing high ceilings, ample storage with exterior and interior access. Also in 2014, a new denitrification septic system was installed. The cottage structure has expansion potential for the addition of a second floor, giving you the opportunity to create more living space. The property is not in the flood plain. This waterfront cottage is your gateway to unforgettable moments and lasting memories and will be in your family for generations to come!
