Overview

This walk-out ranch with an open floor plan has high-end details throughout. The kitchen features custom cabinets to the ceiling along with a range hood and an 8-foot island. Primary suite features: walk-in shower, free standing tub, and huge walk-in closet. The laundry room connects to the primary closet and includes a mud sink with custom cabinets. Finishes include engineered hardwood floors, vaulted ceilings, custom trim package, crown molding, stained beams, and built-in shelving throughout. 2 car garage on main level and 3rd bay in the basement. Covered rear deck overlooks huge backyard with panoramic view. Unfinished basement has rough-in plumbing and plenty of storage. This home is expected to be completed in February or March of 2025. Photos are from previous build.
