## Overview

10K BUYER CONCESSION AT CLOSING! This home is a spectacular reno and must see! Welcome home to this newly renovated farmhouse. This 1911 gem has been completely redone all the way down to the studs. The first floor boasts natural looking luxury vinyl plank floors, a living room and dining area with original brick fireplaces, two full bathrooms with a master on the main and a second bedroom that can also be used as an office. The kitchen sits off a large sunroom and has brand-new stainless-steel appliances, herringbone tile backsplash, granite countertops, electric range with range hood and built in microwave. The master bedroom also has an original brick fireplace with built-in shelving, and a walk-in closet. The Master bath has a beautiful glass shower with a completely refurbished claw-foot tub and his and her sinks. The upstairs has two additional bedrooms with jack and jill bath, an additional half bath and a loft off the stairs with a wet bar. The outside has a huge 39-foot front porch, two additional decks in back, a carport, and a barn. The barn has over 1100 square feet of storage space and is flanked by two sheds for the hobbyist or trade worker to utilize. The owner also completely renovated the crawl space, added new dual-zoned HVAC, new electrical throughout with tankless water heater. Come see it now, it won't last long!
