Overview

Welcome to 2435 108th Ave, Otsego, where endless possibilities await on this expansive 18-acre property. This 5-bedroom, 2-bath home. The main floor includes the primary bedroom, a secondary bedroom, and a full bathroom. The upper level offers three additional bedrooms, a full bath, and a versatile flex room with built-in shelving, ideal for an office or second living area. Equestrians and outdoor enthusiasts will be thrilled with approximately 1500-square-foot horse stable, a training ring, and fenced-in pasture area with a covered feed station. The property backs onto the picturesque Kalamazoo River, providing a beautiful natural setting and ample space for horseback riding, gardening, or simply enjoying the great outdoors.
