Overview

Opportunity knocks! Craftsman style Cape built in 2022 with an added farmhouse extension—just waiting to be finished! Approximately 3,000 square feet of living including the walk-out lower level prepped for potential second kitchen, guest suite, generational living or a multitude of possibilities! Designed with mahogany porches, Azek trim, butler's pantry, four full baths, underground 500 gallon propane, AND private well and town water! Rough plumbing completed, per previous owner. Prime location just a short stroll to the library, Depot Pond/Windmill Park, bike path and a short drive to First Encounter Beach on Cape Cod Bay. Bring your vision to this ideal canvas, ready to customize your dream home, primary residence, vacation retreat, or investment property!
