Overview

Discover the ultimate combination of charm with this two bed, two bath farm styled home featuring an open concept living room and kitchen, ideal for family bonding. Appreciate the generous amount of space, including a sizeable storage building, currently utilized as a gym, and storage. Moreover, explore the potential of converting another separate building into an additional living space or game room currently being used as office space. Delight in the backyard, perfect for cookouts and relaxation, complete with plenty of shade. Enjoy the added benefits of a basement and storm cellar for maximum comfort and security. A must See!!!
