## Overview

First time on market, this grand yet welcoming home is one not to miss! Property located on 3.45 acre ravine lot with mature trees providing lots of privacy. The foyers vaulted ceiling showcases formal staircase. The main floor has a circular floor plan allowing convenient ways go move thru the home. immediately to the right is an office with french double doors, a half bathroom, then onward to sitting room with large built-ins and a gas fireplace. This area is open to the kitchen and eat-in dining space with bay window and access to the maintenance free deck. Continuing further is the formal dining area and living room which connect back to foyer. Up the grand staircase are four bedrooms including a primary ensuite with massive walk-in closet and jetted tub. An additional full bath and storage complete the second floor. Lower level consists of large family room with built in open office, and a wet bar with mini-fridge. Large fifth bedroom, another full bathroom and utility room complete the lower level. Triple garage with entrance from the side, mature trees and flower gardens complete the scene.
