## Overview

You must see this beautiful 1.64-acre lot with an amazing canopy of trees giving shade to the current owner's horse corral. This is only to be sold along with the home next door at 12 Reese Dr. Use this neighboring lot to build your new home, pickleball court, private garden, or all of the above! A portion of the property is in the 100-year flood plain but the city of Sunset Valley has previously approved build plans for this lot, however, do your due diligence if needing to develop on this lot.
