Overview

Located in a wonderful, quiet neighborhood is where you will find this great 3 bedroom, 2 bath, Ranch home. You will love the large kitchen with updated custom cabinetry, a nice size pantry, with a snack bar. The living room and dining area are very spacious with an open concept. The master bedroom has a large closet and an attached, full bathroom. You will also find 2 additional bedrooms and a full bathroom. Another added bonus is a full, dry basement... great for storage or perhaps you can host the next family function or Holiday get together. Be sure to take the photo tour, then call and schedule your appointment to view this great home located in a wonderful neighborhood! For showing please call Robert Bensinger
