Overview

Walk through the welcoming front door and into luminous, open concept living, with vaulted ceilings and large windows. The L-shaped kitchen is complete with a large quartz island for extra counter space, self-closing cabinets and stainless-steel appliances. The lower level includes a spacious family room and laundry room with newly updated flooring and drywall. Home includes a large fully fenced-in backyard ideal for kids a pets and an extended patio perfect for entertaining guests. Yard is professionally landscaped with manicured lawn; equipped with In-Ground sprinklers and a water-efficient irrigation system. The 2.5 car extended garage is drywalled and insulated and allows room for extra storage/work area. This desirable location only 1.5 miles to US-131 and a short drive to stores and restaurants.
