## Overview

This home is so beautiful, large covered porch across the entire front of home with two sliders, one off of dinette and other off of master bedroom. This is a very open floor plan. Entering the home from slider into a very large dinette, this then leads into the kitchen. Kitchen has many cupboards, beautiful counter tops done in a mixture of black tones. Appliances are also done in black. Vinyl blanking thru out entire home. Washer and dryer are behind close doors and off of kitchen for convenience. Living room has entry door from outside and is very spacious. Master bedroom is large with slider door to covered porch. Very good sized walk-in closet and also the master bath has garden tub, shower, doubled sink vanity and stool. The other bedrooms are very good sized with wonderful closets. Second bath has tub shower, vanity, stool and storage area. This home has central air, shed for storage, trees, grass and is also very close to 131 express way. Many convenient stores and restaurants close by. Don't miss this beautiful home We also help with financing, if needed!
