## Overview

This outstanding 12 unit multifamily consists of 11-2-Br, 1 Bath Units and 1 studio unit. Several units are updated. There is a newer double heat boiler. The building is a good money maker with potential to raise rents to market for higher income. There are two-owner owned washers and two owner owned dryers. The building has 11 parking spaces. Prior to closing the seller will be installing a new roof and a new hot water boiler. A great addition to your portfolio ! 48 hour notice for showings.
