Overview

Two lots combined for an approximately 1.936-acre building lot. This building lot is off the beaten bath, but still just a short drive to shopping, River Ridge Commerce Center, the East End Bridge, and downtown Louisville. Underground utilities (water/electric) are at the road. Builder and building plans must be approved by the Developer. Two separate parcel numbers 10-03-11-900-002.000-003 and 10-03-11-900-001.000-003, but per seller, house could be built in center of two lots if desired or could remain as individual lots. Inquire for details. Don't miss the opportunity to build your dream home in popular Hardy Falls subdivision!
