## Overview

Welcome to Cherry Street Condos !!! Experience first floor living and a spacious open floor design of the living /dining room with an inviting layout for gatherings. Such beautiful wood floors lead throughout this three bedroom unit with basement. Quality finishes are evident of this completely redesign in 2022 by local architect Keiter Assoc. Shared garage for storage and assigned shed for private storage in common areas. Lovely yard to share and no worries about moving with your furry friends, this Unit allows for 2 pets. Be the First to own this newly establish condo on Cherry Street in the heart of Northampton !!!
