Overview

COMPLETELY REMODELED FROM THE INSIDE OUT!! Beautiful 3 beds, 2 full baths in sprawling Keatchie. Did I say sprawling? Even your 3.4 acres sprawls and you can do what you want with it. You could even add a mother in laws home, a tiny home, a workshop, a whole other building or just add you some extra covered parking. You have plenty of room. You do YOU!! You will love it from the moment you see the two church pews on the front porch to accent the wood touches. Tons of built ins throughout the house. The most unique and wonderful primary bedroom and closet scenario you have probably ever seen. Brand new windows, HVAC and flooring. Everything is shiny and new to the paint to the floors to the outside. Also a great covered patio in the back. You are about 8 minutes to the Desoto School System which is FABULOUS and some of the most desired in all of North Louisiana. There is a gate you can shut at the street if you choose. We think you will love it! PROFESSIONAL PICTURES ARE ON THE WAY!!!!
