Overview

Enter though a warm, cheerful 2-story foyer, an open floor plan gives access to living room on left with wood stove, the dining room on right or pass straight through to the kitchen over looking lush green lawn fit with irrigation in 2022. Private back yard enclosed by vinyl fencing installed in 2021. First floor half bath leads to conveniently tucked away laundry room. Upstairs, the primary bedroom with walk-in closet and freshly remodeled bathroom, tiled, glass shower doors and double sinks. A 2nd full bath, also remodeled, is shared by 2 other bedrooms. Hard to find and notable for this home... a fully finished walk-out basement designed for in-law accommodation or perfect for home office, gym or entertaining space. Private entry leads out to stone patio with hot tub and generator hookup if desired. Fenced for privacy, the yard also offers enjoyment of a fire pit and woodchipped play space. Just down the street from RMS, quiet neighborhood, corner lot and move in ready!
