Overview

Welcome to Coastal Living in this adorable cottage style home. Inside you will find a recently renovated 2 bedroom, 3 full bath home with an additional flex space currently being utilized as a 3rd bedroom. The spacious living room and kitchen offer plenty of natural light into this open concept floor plan. The back of the home offers a laundry/mud room and views of the Intracoastal Waterway at Bogue Sound. This quaint home is just minutes from water access and area beaches. Excellent location that can be used as a primary residence or a vacation rental.
