## Overview

Exceptional opportunity to build the house of your dreams. Style and Structure will design and build to your specifications. This lovely homesite is ideally located on a charming cul-de-sac and a short distance to downtown Stillwater and Lake Elmo! The gorgeous setting in collaboration with a stunning custom home built by award winner, Style and Structure, is sure to make a home that exceeds your expectations. Style and Structure is known for creating timeless homes with luxurious design elements, functionality, and extraordinary craftsmanship delivered with a fun and transparent process. Photos in the listing are examples of what Style and Structure could create for you.
